1. I'm here today to tell you what the Lord has done in
My life,
When all hope is gone in my life, He came and took the
shame away,
Everybody thought I'll never see the light of the next
day,
But when this God came into My life,
He told Me, My son I'm healing today

Chorus

And I call Him CHIKADIBIA
I call Him CHIKADIBIA
And I call Him CHIKADIBIA
Cos He's bigger than doctors of the world
And I call Him CHIKAMKPAM O
I call Him CHIKAMKPAM O
And I call Him CHIKAMKPAM O
Cos He's bigger than all My problems

2. Everybody thought am gonna die
Everybody thought am not gonna make it,
But I told them I have a God who cares for
Me, He held My hands so tight,
And pulled Me out of shames of sickness
And today, I'm a new man indeed
