1. Don't give up on God, just put your trust in Him.
Never loose hope on Him, just put your trust in Him.
Never let Him go, He's knocking at your door.
He knows what you're passing through right now
And He knows what to do for you
Please give Him just one chance
Give Him just one chance

2. Be not afraid, just wipe your tears away
He knows what to do, He never fail at all
Whatever He promised to you, He does it that way
Just give Him a chance
Let Him in your heart
Just give Him a chance

BRIDGE

Don't give up on God today
And never put your trust in any man
Don't up on Him now
He knows what to do
Let Him in your heart
Just give Him a chance

Please give Him the chance(2x) in your life now
{Just give Him a chance}

He will never let you fall, He will never let you go down
{Just give Him a chance}

Please give Him chance, give Him the time
He's knocking at your door now
{Just give Him a chance}

Never let Him go back, never let Him turn back my
brother
{Just give Him a chance}

He will make you feel good, He will make Ã³u feel cool
My dear friend
{Just give Him a chance}

Just give Him one more time, just give Him one more
chance

{Just give Him a chance}

He will wipe your tears away, He will give you new life to live

{Just give Him a chance}

Give Him the time, give Him the chance, give Him the
time in your life

Now...

{Just give Him a chance}

He will make you feel good, he will make you feel cool
my dear friend

{Just give Him a chance}

He will make you feel good, He will make you feel cool
my brother

{Just give Him a chance}

Repeat and lip again.
