May I have your attention please!

will the real bert newton please stand up! where gonna  
have a problem here!

You atc like u never seen an old person before! Jaws all  
over the floor like me

when amorita walked in my door and started cleanin all  
of my furniture!

Its the turn of the oh way no way he didnt say what i  
think he did he?

and Opra winfry said nuttin u idiot oprah winfrey's  
dead she's locked in my

basement!

Alot of people loved bert (chicka chicka) Bert Newton  
im sick of him look at him

walkin around on his walkin stick flippin tha u know  
what! yeah but hes so old

though!

yeah probably goin senille in my head loose but its no  
worse than that pope i

saw on tv that goose!

sometimes i get on tv and let loose but i wish i didnt  
coz its the gurls who r

gonna get loose!

My old bum is on ya lips my old bum is on ya lips and if  
im lucky u might just

wanna get on wif it!

and thats the message we deliver to lil kids and xpet  
them not to know how to

say shit!

Of course they'll by the time they reach kindi when the  
teacher tells em to fuck

up!

we aint nottin but people well some of animals like John  
burgo! and his

cannibals!

But if i could hump dead animals and cannibals then  
that would be realy cool 4

me! But if u fell like i feel then take off your bra and  
stick your tits in my

face
