VERSE 1

Forever my portion, I will rejoice,
Lifting a song to you, my life renewed
Lord hear my voice

Forever exalted, to your rightful place
Laying my will at your feet, my life complete
Pour out your grace

CHORUS

There is nothing I want more
Than to know you, and your glory
Surrounded by your presence
Face to face, by your mercy, lord

VERSE 2

So rich in compassion, hear the broken sing
Knowing your love for me, in you I see
You're my everything...
You're my everything

CHORUS

There is nothing I want more
Than to know you, and your glory
Surrounded by your presence
Face to face, by your mercy

There is nothing I want more!
Than to know you, and your glory
Surrounded by your presence
Face to face, by your mercy, lord
