My gift to you is so alone.  
My golden heart is made of stone.  
Your present day is melted cold.  
Standing tall. Looking good.  
I holding up like my haters should  
Here we are. Gun in hand.  
I promise I love you like no one can.  
Still you doubt. Still no feel.  
Your love you made it isn't real.

My life golden.  
Make it dance.  
All you want is in my pants.  
I put you boys into a trance.  
My golden hearts in battle stance.  
My life is silver.  
Make me last.  
Kickin' back and showin' that  
Your just jealous I'm so rad.  
My golden hearts in battle stance.

Don't try and cover up my face  
To hide your own mistakes  
In life, I'm Rich  
Yours fell in a ditch  
You can be such a bitch  
All you tell. Such a snitch.  
I'll bust your lips  
I'll break your hips  
I break necks  
You swab decks

My life golden.  
Make it dance.  
All you want is in my pants.  
I put you boys into a trance.  
My golden hearts in battle stance.  
My life is silver.  
Make me last.  
Kickin' back and showin' that  
Your just jealous I'm so rad.

My golden hearts in battle stance.
