A gypsy wind is blowin warm tonight
the sky is starlit and the time is right
and still your tellin me you have to go
before you leave there's somethin you should know

yeah
something you should know babe

I've seen you smilin in the summer sun
I've seen your long hair flyin when you run
i've made my mind up that its meant to be
someday lady you'll accomp'ny me

someday lady you'll acomp'ny me
out where rivers meet the soundin sea
your high above me now your wild and free
oh but someday lady you'll accomp'ny me
someday lady you'll accomp'ny me yeah

ohh

Some people say that love's a losin game
you start with fire but you lose the flame.
the ashes smolder but the warmths soon gone
you end cold and loneley own your own

Ill take my chances babe i'll risk it all
i'll win your love or i'll take the fall
ive made my mind up girl its meant to be,
someday lady you'll accomp'ny me

someday lady you'll acomp'ny me
it's written down somewhere its got to be
your high above flyin wild and free
oh but someday lady you'll accomp'ny me
someday lady you'll accomp'ny me yeah

someday lady you'll acomp'ny me
out where rivers meet the soundin sea
i feel it in my soul its meat to be
oh someday lady you'll accomp'ny me

someday lady you'll accomp'ny me yeah

you will acomp'ny me
ohh
yeah

i know yuu will a-comp'ny me yeah
ahh
someday lady
ohh
someday lady
your gonna comp'ny me
your gonna walk with me and talk with me
yeah
ohh gonna comp'ny me
gonna comp'ny me yeah
someday
