Go, go, gadget happy heart,

You know this won't tear us apart. this time,

And I'm fine, and you're fine, 'cause we're so brand new.

Who knew we'd have to start,

Facing all our hopes and fears.

Help me start, kissing on pier's again.
No I don't break bones, just hearts (x3)

No I don't break --

No I don't break bones, just hearts (x2)

No I don't break --

You know I don't break bones.
No I don't break bones, just hearts,

No I don't break --

No I don't break bones, just hearts.
No I don't break bones, just hearts (x2)

No I don't break --

You know I don't break bones.
Go, go gadget happy heart,

You know this won't tear us apart, this time,

And I'm fine, and you're fine,

'Cause we're so brand new.

Who knew, we'd have to start,

Facing all our hopes and fears.

Help me start, kissing on pier's again.

No I don't break --

You know I don't break bones.
