Talk all day and talk all night

I miss you, I miss you, I miss you
I do
I miss you, I miss you

I don't think any less of her
'cause we fell in love over messenger
I don't think any less of her
'cause we fell in love over messenger.

They say broken hearts fly planes
But what they say don't change a thing about us
They say that you girls play games
But what they say won't change a thing about us

You're the dreamiest girl from what I've seen
From what I've seen on my computer screen

Missing you, ocean apart
Prettiest girl that ever stole my heart

I miss you, I miss you, I miss you
I do
I miss you, I miss you

They say broken hearts fly planes
But what they say don't change a thing about us
They say that you girls play games
But what they say won't change a thing about us

I don't think any less of her
'cause we fell in love over messenger
I don't think any less of her
'cause we fell in love over messenger.

They say broken hearts fly planes
They say broken hearts fly planes

They say broken hearts fly planes
But what they say don't change a thing about us
They say that you girls play games

But what they say won't change a thing about us
