I'm Peter Pan, and I don't wanna grow up
So it's a good thing that I have a plan
I'm gonna rescue all the pretty girls
Escape from crocodiles and battle a pirate with a hook
for a hand
I am going to do everything I always wanted
I have nothing to prove so you don't have to
understand it

Hey Cinderella, what'cha doing there with your
pumpkin and your broom?
You're a glass shoe in disguise
You're the deepest of blue eyes
You're the prettiest girl in this room
So I'll be a prince and we can dance until tomorrow
morning

So lend me your ears and lend me your eyes
And I'll show you the world the way I see it
So lend me your heart and lend me your smile
Because a smile's contagious
Sometimes I need it

So tell me that you don't believe in fairies
So tell me that you don't believe in fairies

I am going to do everything I always wanted
I have nothing to lose so you don't have to understand
it

So lend me your ears and lend me your eyes
And I'll show you the world the way I see it
So lend me your heart and lend me your smile
Because a smile's contagious
Sometimes I need it

So lend me your ears and lend me your eyes
And I'll show you the world the way I see it
So lend me your heart and lend me your smile
Because a smile's contagious
Sometimes I need it

So tell me that you don't believe in fairies.
