Hold your breathe  
Because tonight will be the night  
That I will fall for you over again  
Don't make me change my mind  
I wont live to see another day  
I swear it's true because a girl like you is impossible to  
find  
You're impossible to find

This is not what I intended  
I always swore to you I'd never fall apart  
You always thought that I was stronger  
I may have failed but I have loved you from the start  
But hold your breathe because tonight will be  
The night that I will fall for you over again  
Don't make me change my mind I wont live to see  
another day I sear it's true  
Because a girl like you is impossible to find
