Left everything behind me,
searching for the strength I thought I had inside me,
left you behind so lonely,
praying for the day that you would somehow find me.

I was young
(you were wrong)
but i tried
(I was trying to give that I had lost through all I see)

Hear me now.
All I can say is I am not afraid,
of the world that I am trying to put you in,
I fight everyday,
but I am to blame,
I am not innocent,
but I am not afraid.

music

[Verse 2]
I lost all the things inside me,
(inside me)
Still have found myself with all the will to
free me from you,
I'm asleep,
I'm happy,
(I'm happy)
Want to know so much for you to someday see me.

tell me how,
(I want to)
sing it loud,
(I need you to be the one who catches all my dreams)
Hear me now
All I can say,
is I am not afraid of the world that I am trying to put you
in,
I fight everyday,
but I am to blame,
I am not innocent,
but I am not afraid anymore,

I am not afraid,
anymore...

I'm tired of sleeping,
alone I've been grieving,
the life that I gave up to feel alive,
I want to feel alive..

music

I'm not afraid,
anymore,
I'm not afraid,
anymore,

I'm not afraid,(I want to feel alive)
anymore,(I want to feel alive)
I'm not afraid,(I want to feel, I need to feel)
anymore,(I want to feel alive)
(X4)

i'm not afraid,(hold on tight)
anymore, (let's make this right)
I'm not afraid(take me, come with me, feel alive
tonight)
