I'm staring at my window
I'm feeling uninspired
I'm looking hard for hope, and I fell just like a record
That spun until it tire,
And it eventually just broke
But I know it will get better...
I know we'll find a place where we can be together

Oh-uh-oh-uh-oh
Let me into you...
Uh-oh-uh-oh
Let me into you...
Cuz I know, I know
This life has room for two
Uh-oh-uh-oh-oh
Let me into you...
The best part of waking up is
Knowing that you're thinking about me
And my phone it rest upon my pillow
Waiting for you to reach right on and touch me with
your smile
Smile...smile...
Even though we're miles and miles and miles apart...
I know you make me better

Oh-uh-oh-uh-oh
Let me into you...
Uh-oh-uh-oh
Let me into you...
Cuz I know, I know

This life has room for two
Uh-oh-uh-ohoh
Let me into you...
I'm a man who doesn't need
Anyone to make me whole
But your eyes are just like headlights into my soul
They see what I can't see and I don't see anything at all
But you!

Oh-uh-oh-uh-oh
Let me into you...

Uh-oh-uh-oh-oh
Let me into you...
Cuz I know, yes I know
This life has room for two
Uh-oh-uh-oh-oh
Let me into you...
Uh-oh-uh-oh
Let me into you...
Uh-oh (oh I know)-uh-oh
Let me into you...
Uh-oh-uh-oh
Let me into you...
Uh-oh-uh-oh-oh
Let me into you.
