Nightmares

Album: Hear Me Now (2010)

Look away, pray for salvation,  
And pray for a sweet conversation.  
The problems not with you.  
It's without you.  
I love the way that you told me I'm better  
The way you described me in letters.  
There's nothing I can do,  
Is there nothing I can do.

I'll scream just to get your attention.  
I have seen what happens to a lonely heart.  
And ill scream just to get your attention.  
I have seen the nightmares that ??.

So long, wish that you'd tell me your wrong.  
That were not dead and buried,  
And save your harsh goodbyes,  
Your salty liquid eyes.  
And this song, is just another song.

Don't know why I bother.  
I can't tell truth from lies.  
I can't tell truth from lies.

I'll scream just to get your attention.  
I have seen what happens to a lonely heart.  
And ill scream just to get your attention.

I have seen the nightmares that ??.  
Your fires burning bright.  
It's burning me alive.  
No one can save me now.  
Your touch was all I had.  
It's eating me alive.  
No one can save me now.

I'll scream just to get your attention.  
I have seen what happens to a lonely heart.  
And ill scream just to get your attention.

I have seen the nightmares that ??.  
Your touch was all I had.
