Watch you waste away.  
You were born to shine, but left behind.  
Slowly fades to grey.  
Yet you say you are fine, but I fear you are blind.  
How could you believe that you've done wrong?  
You don't believe in yourself.

Reach for the sky  
I would pick you up if I could.  
Open your eyes  
I would pick you up if I could.

Listen to the sound,  
Of your days passing by while you live a lie.  
Why'd you turn around,  
Why'd you say goodbye, was there no reply?  
How could you believe that you're not strong?  
You don't believe in anything.

So, reach for the sky  
I would pick you up if I could.  
Open your eyes  
I would pick you up if I could.

And then I saw your face  
And you were left alone  
But you're not alone  
You're not alone  
You're not alone

Reach for the sky  
I would pick you up if I could.  
Open your eyes  
I would pick you up if I could.

You're not alone  
You're not alone  
You're not alone  
You're not alone  
You're not alone
