I'm staring at the glass in front of me,
Is it half empty or I've ruined all you've given me?
I know I've been selfish,
I know I've been foolish,
But look through that
And you will see,

I'll do better, I know,
Baby, I can do better.

If you leave me tonight, I'll wake up alone,
Don't tell me I will make it on my own,
Don't leave me tonight,
This heart of stone will sing till it dies
If you leave me tonight.

Sometimes I stare at you while you are sleeping,
I listen to your breathing,
Amazed how I somehow managed to
Sweep you off to your feet girl,
Your perfect little feet girl
I took for granted what you do.

But I'll do better, I know
Baby, I can do better.

If you leave me tonight, I'll wake up alone,
Don't tell me I will make it on my own,
Don't leave me tonight,
This heart of stone will sing till it dies
If you leave me tonight.

And don't you know my heart is pumpin', oh,
It's putting up the fight,
And I've got this feeling,
That everything's alright,
And don't you see,
I'm not the only one for you
But you're the only one for me.

If you leave me tonight,
I'll wake up alone,

(Stay) If you leave me tonight,
(Close) I'll wake up alone,
(Don't) don't tell me I will
(Go) make it on my own,
(Stay) don't leave me tonight,
(Close) this heart of stone
(Don't) will sing till it dies
(Go) if you leave me tonight.
Don't leave me tonight
