Verse 1:

Iâ€™m so disgusted with myself  
Iâ€™ll probably never leave this hell  
And if I look the other way  
Iâ€™ll feel so broken, so ashamed

I wanna see with brand new eyes  
I hope I make it through the night  
I dug myself into this hole  
All of these problems getting old

Chorus:

Is it only sorrow that brings me to my knees?  
Or is there something deep inside that I cannot see?  
I feel so empty without you haunting me  
I hope youâ€™ll save me

Verse 2:

How did it ever get this way?  
I cannot find the words to say  
That I canâ€™t handle all the pain  
And that Iâ€™d like you to stay

When will this stop? I feel the burn  
Itâ€™s just too hard, itâ€™s getting worse  
What if Iâ€™m ready to give up?  
I guess I never was enough

Chorus:

Is it only sorrow that brings me to my knees?  
Or is there something deep inside that I cannot see?  
I feel so empty without you haunting me  
I hope youâ€™ll save me

Bridge:

And every time I fall I will look your way  
And if youâ€™re not there to catch me  
I will never be the same  
Iâ€™m dying to breathe and  
Iâ€™m living to die  
Will you take this heart

And make me feel alive?

Verse 3:

What if I opened up my arms?  
Then would you sew up this heart?

Chorus:

Is it only sorrow that brings me to my knees?  
Or is there something deep inside that I cannot see?  
I feel so empty without you haunting me  
I hope you'll save me
