Verse 1:

I can't breathe  
I can't speak  
I can't leave  
Cause you're still running through these walls  
Trapped inside all your broken lies  
All the tears  
All the pain  
You can take  
I never wanted it all along  
But it's when you're gone that it feels so wrong

Chorus:

This is all we know  
I can't hold on, I can't let go  
I'm stuck inside these memories  
And breathing for serenity  
I need you most, don't let go of this rope  
Tell me you'll give up the lies  
Love until the day you die

Verse 2:

So lost  
You're soul  
Stone cold  
This world has made you so desperate  
But I can't hate you, can't escape your touch  
Your face  
Your taste  
It taints all that is true  
Can't get away, won't be the same without you

Chorus:

This is all we know  
I can't hold on, I can't let go  
I'm stuck inside these memories  
And breathing for serenity  
I need you most, don't let go of this rope  
Tell me you'll give up the lies  
Love until the day you die

Bridge:

Hold me tight, don't ever let me go  
I'd rather fade and die than have to be alone  
After you told me twice, I didn't want to know  
Every breath that I begin to take  
Will it be enough, or are we just too late?  
Look into my eyes, the scene is filled with blue  
My heart beats fast with every beat for you

Chorus:

This is all we know  
I can't hold on, I can't let go  
I'm stuck inside these memories  
And breathing for serenity  
I need you most, don't let go of this rope  
Tell me you'll give up the lies  
Love until the day you die
