Don't look at me
I know what you've done
When the night falls
She's not the only one

It's been the same
For a thousand years
You wont change your ways
You don't seem to care

Chorus:
And she is lying
To herself again
You don't love her
Why pretend?
You are lying
To yourself again
You don't love her
Why pretend?

Verse 2:
I know the truth
I'm not blind you know
I keep telling you
That It's time to let her go

I'm a bad friend
You know it's true
For the guilt I feel
I blame you because

Chorus:
She is lying
To herself again
You don't love her
Why pretend?
You are lying
To yourself again
You don't love her
Why pretend?

Bridge:

And she doesn't notice
What everyone around her
What everyone around her sees
Why won't she focus
You only give a shit when she's on her knees

Chorus:

And she is lying
To herself again
You don't love her
Why pretend?
And you are lying
To yourself again
You don't love her
Why pretend?

She wants your ring
She'll do anything
To tie you down
She'll ignore where you've been

She wants your ring
She'll do anything
She'll turn away and pretend
That you love her
She'll pretend
