This country is built on freedom, hard work and liberty,  
And Mr. Hoover has done his best to keep this country  
free,

If there is a social deviant, erratical  
Spy communist conspiracy or someone has to die.  
We call J. Edgar Hoovers F.B.I  
He will wave the social deviant goodbye.  
But when J. Edgar Hoover wore a dress dress dress  
He put pink and purple sequins on his vest vest vest  
Low cut blouse and turned up nose, jet black fish net  
pantyhose  
The FBI was real confused I guess  
Each time that J Edgar Hoover wore a dress

Now he had his share of intrigues and bent the law a bit  
A lot of people swore that he was just a sack of \*cough  
cough cough\*

With wire taps and secret files exploded with one push  
His covert operations were the envy of George Bush  
You could see him smoke a cheap cigar  
As he rigged or fire bombed your car  
But when J Edgar Hoover wore a dress dress dress  
Oh where he went was anybody's guess guess guess  
He'd debut each social season like a female Jackie  
Gleeson  
Or the second coming of May West  
Each time that J Edgar Hoover wore a dress

He had a list of enemies who had to live in fear  
When they were branded radicals, communists or  
queers  
John Lennon, Charlie Chaplin and Martin Luther King  
Were but a few he targeted to take down in a sting.  
It seems he looked at everyone he saw  
As a picture up at some post office wall  
But when J Edgar Hoover wore a dress dress dress  
Oh he was a ray of sunshine ill confess fess fess  
Mini skirt and white pom poms  
People said there goes the bomb  
As he blew the pentagon a kiss

Each time that J Edgar Hoover wore a dress

OH! Blushing cheeks and ruby lips with two six-guns on  
his hips

This country was much better off I guess

Each time that J Edgar Hoover wore a dress
