Chorus:

It's that a drinking contest?
Why don't we can go to sleep?
If so I might not wake up
I'm 8up, straight up
First day getting 8up by a bad bitch to a pay fuck
I'm 8up, straight up!
Why don't we can go to sleep?
If so I might not wake up
I'm 8up, straight up
First day getting 8up by a bad bitch to a pay fuck
I'm 8up, straight up!

Laid out! I'm... combine that with the alcohol
She just wanna get dope, nig
She say I don't have the...
Starlito, I have the...
I'mma drink good, and smoke great
I have the pain, I lift it out
... and I have none, split three with a bad bro,
With a boob job and some...
I'm... and I want niggers to know
Really, all these niggers, hoes
We don't make a killing, no
We don't make a killing, yo!
Got a... job, I'm smoking, fuck
I've been working over time
I'm solo top, don't give a fuck
But other nigger ain't on my mind.
I'm on my shit, I'm on my grind
I'm on Patron, straight...
Tell the... I'm on my way
I park in front, they hold the...
Bitch, I'm 8up straight up!

Chorus:

Why don't we can go to sleep?
If so I might not wake up
I'm 8up, straight up
First day getting 8up by a bad bitch to a pay fuck
I'm 8up, straight up!

Why don't we can go to sleep?
If so I might not wake up
I'm 8up, straight up
First day getting 8up by a bad bitch to a pay fuck
I'm 8up, straight up!

I got my triple over, double cup full of that paralyzer
Female cap, and she blew me...
Since we... get home
Let the cops... and get on these... shots
And we better keep more head on the gerund
When the mother fucking coin drops.
I'm absent on absent in traffic with a bad bitch
I think she like me cause I'm... and I smell good
I'm off the exit!
I'm different though, keep like 8 bottles in my mattress
And a model on top of the bed is probably...
I'm sorry Miss Jackson, but I only fuck with...
It's that the equivalent of what we smoke
And it's how much I've been drinking!
OK! We're 8up, and that liquor got no flavor
And that ain't my main bitch, but she like doing me
favours!
Straight up, 8 up!

Why don't we can go to sleep?
If so I might not wake up
I'm 8up, straight up
First day getting 8up by a bad bitch to a pay fuck
I'm 8up, straight up!
Why don't we can go to sleep?
If so I might not wake up
I'm 8up, straight up
First day getting 8up by a bad bitch to a pay fuck
I'm 8up, straight up!
