Day after day I'm more confused,  
but I look for the light in the pouring rain.  
You know that's a game that I hate to loose,  
I'm feeling the strength,  
ain't it a shame.

[Chorus]

Oh, give me the beat boys, and free me soul.  
I wanna get lost in you rock n' roll and drift away.  
[x2]

Begining to think I'm wasting time,  
I don't understand the things I do.  
The world outside looks so unkind,  
So I'm counting on you,  
to carry me through.

[Chorus]

[x2]

And when my mind is free,  
no melody can move me.  
When I'm feeling blue,  
the guitars coming through to soothe me.

Thanks for the joy that you've given me,  
I want you to know I believe in your song.  
Rythm and rhym, and harmony,  
help me along, making me strong.

[Chorus]

[x4]

[Not all include]

Won't you take me.  
Oh, take me.  
Love me in the morning.  
Oh, won't you take me.
