I know this pain
Why do you lock yourself up in these chains?
No can change your life except for you
Don't ever let anyone step all over you
Just open your heart and your mind
It's completely fair to feel this way inside

Chorus:

Someday somebody's gonna make you wanna
turn around and say goodbye
'til then baby
are you gonna let 'em hold you down and make you
cry?
Don't you know, Don't you know things could change
things'll go your way
you hold on for one more day
can you hold on for one more day
things'll go your way
hold on for one more day

You can sustain

Oh, are you comfortable with your pain?
You got no one to blame for your own happiness
No baby, you got yourself into your own mess
Lettin' your horrors pass you by
Don't you think it's worth a try, to change your mind?

Chorus

i know that there's a pain
but you, hold on for one more day
and then, break free from the chains
I know that there's a pain
but you hold on for one more day
and then, break free right from the chains.

Chorus
