Come to my garden nestled in the hills  
There I'll keep you safe beside me  
Come to my garden, rest there in my arms  
There I'll see you safely grown and on your way

Stay there in the garden  
Where love grows free and wild  
Come to my garden  
Come, sweet child

Lift me up and lead me to the garden  
Where life begins anew  
Where I'll find you  
And I'll find you love me too

Lift me up and lead me to the garden  
(Come to my garden)  
Where life begins anew  
(Rest there in my arms)  
Where I'll tell you, where I'll show you  
(There I'll see you safely grown)  
A new life, a new life  
(And on your way)

I shall see you in my garden  
Where spring will come and stay  
(Where love grows free and wild)  
Lift me up and lead me to the garden  
(Come to my garden)  
Come, sweet day
