i stand alone in the darkness  
the winter in my life came so fast  
memories go back to childhood  
to days I still recall

oh how happy i was there  
there was no sorrow there was no pain  
walking throw the green fields  
sunshine in my eyes

i'm still there everywhere  
i'm the dust in the wind  
i'm the star in the northern sky  
i've never stayed anywhere  
i'm the wind in the trees  
will u wait for me forever

i'm still there everywhere  
i'm the dust in the wind  
i'm the star in the northern sky  
i've never staid anywhere  
i'm the wind in the trees  
will u wait for me forever  
will u wait for me forever  
will u wait for me forever
