

Secret Garden "It's A Maze"

Plant a hedge, cut it back
Dig a hole try to fill it
Plant a rose, tie it back
Find a mole, try to kill it

It's a maze this garden, it's a maze of ways
Any man can spend his day
It's a maze, this garden, it's a maze of paths
But a soul can find the way

For an old man knows how a year it goes
How the cold hard ground in the spring comes 'round
How the seeds take hold and the birds unfold
How an English garden grows

Skip, skipped the ladies to the master's gate
Sip, sipped the ladies while the master ate
Tiptoed the chambermaids and stole their pearls
Snip, snipped the gardener and cut off their curls

Come along, love, come fly away, fly along
Come along, fly away home
Come along, love, you've come a long way
You've flown all the day, fly away home

Miss a step, trip and fall
Miss the path, meet the wall
Miss the way, miss a turn
Getting lost is how you learn

It's a maze, this garden, it's a maze of paths
Meant to lead a man astray
Take a left and then, turning left again
How a soul can find the way

For an old man knows how a year it goes
How the cold hard ground in the spring comes 'round
How in time it shows how a garden grows
How an English garden grows

How the roses climb
How sublime the time

When an English garden grows
