Bim ar thoir an comhartha  
Scaoileas m'anam saor  
Caithfidh mo chroi a bheith glan  
Roimh siochan theacht chum  
Ni leanfaidh mo Bhrn  
Is bim sasta le mo ghra  
Guim comhartha chabhreoidh liom  
M a chomhlionadh  
Bim ar thoir an comhartha  
Scaoileas m'anam saor  
Caithfidh mo chroi a bheith glan  
Roimh siochan theacht chum  
Si an ghaoth do ghuth  
Si an bhaisteach do dheora  
Grian, do chroi ar las  
Do spiorad mo shlanu  
English Translation:  
I search for the sign  
That will set my soul free  
My heart must be pure  
So that I can find peace  
My grief cannot last forever  
My love will be fulfilled  
I pray a sign will help me  
Be all that I can be  
I search for the sign  
That will set my soul free  
My soul must be pure  
So that I can find peace  
The wind is your voice  
The rain is your tears  
You burning heart  
And spirit is my salvation
