You're not alpha not omega  
You're not New York, you're not Vegas  
Simply you  
You're not major, you're not minor  
You're not L.A., you're much finer  
Simply you

I can't paint it, I can't play it  
There's no other way to say it  
Simply you  
I don't care who comprehends it  
My whole world begins and ends with  
Simply you

You're my train from every station  
You're my final destination  
Simply you  
When I'm losing, when I'm winning  
You're in every song I'm singing  
Simply you.

I can't paint it, I can't play it  
There's no other way to say it  
Simply you  
I don't care who comprehends it  
My whole world begins and ends with  
Simply you

You're the dance and you're the dancer  
You're the call and you're the answer  
Simply you  
I don't mean to overstate it,  
There's no need to complicate it  
Simply you.

I can't paint it, I can't play it  
There's no other way to say it  
Simply you  
I don't care who comprehends it  
My whole world begins and ends with  
Simply you

I don't care who comprehends it  
My whole world begins and ends with  
Simply you  
Simply you
