Someone is crying, just now I heard them
Someone in this house is crying, why won't they tell
me?

I know they're lying, someone here is lost, or mad
I must try to find them, beg them stop so I can sleep

I heard someone crying, who, tho', could it be?
Someone in this house
Whom no one seems to see
Someone no one seems to hear, except for me

I heard someone crying, I heard someone crying
(I heard someone crying)
I heard someone crying, yes, there's someone crying
Someone here is crying, listen, someone's crying
I heard someone, I heard someone, I
