Now I see you in the window
Of a carriage, then a train
Still my mind will not accept that
In your grave you must remain
I hear your voice, then turn and
See a stranger's form and face
Must I wander on tormented
Place to place to place to place

Wher can I go that you won't find me
Why can't I find a place to hide
Why do you want to chase me, haunt me
Every step you're there, beside me

Where in the world, tell me, where in the world
Can I live without you love
Where on the earth, tell me, where on the earth
Can I stay now that you are gone

Why did I have to meet you, love you
Why can't I rid you from my mind
Why did you have to want me
Won't you let me put my life behind me

How in the world, tell me, how in the world
Can I live without your love
Why on the earth, tell me, why on the earth
Should I stay now that you are gone
Now that you are

(spoken) Lily, is that... you?
