I saw you watching when my mother walked by
I saw your stare at that hair there on her thigh(
Guess you think she's the bomb(

Ain't trying to hate. Tell me straight. Are you boning my
mom?
Are you boning my mom? (Are you boning my mom?

(You got a stiff, for a Milf.

Are you boning my mom?(
Ain't trying to hate. Tell me straight. Are you boning my
mom?

Hot child, dug your style
(We been dating for a while
(Thought I was enough
(Maybe you want older muff

The other night when you thought you were alone
I saw you texting your junk to her phone

Should have known that something was wrong
Scrubbing toilets wearing her thong-thong
Sure I want you to get along(
Seriously.
Is she sucking your bong?

Come on just tell me, when I'm kissing your tongue.(
Is that weird taste, on your face, the taste of mom?
(Don't stand there looking dumb.

Come on just tell me, when I'm kissing your tongue.(Is
that weird taste, on your face, the taste of mom?(Don't
stand there looking dumb.

Ain't trying to hate.
Tell me straight.
Are you boning my mom?
Are you boning my mom?
(Are you boning my mom?

(I think that muffin that you're stuffin, could belong to
my mom.()

Are you ramming her clam? Are you boning my mom?

Came home, you were there
Naked in a kitchen chair
Stirring up a big old bowl
Of mama's tuna casserole
And now it's obvious that I am a sucker
Cause I've been dating a real motherfucker.()
Should have known that something was wrong
You came by when daddy was gone
Said you were there to mow the lawn()
Caught you face-down mooshing my mom.

I can't blame mom, 'cause she's done this before.
It's just her way, what can I say?
My mom's a whore.
Now this might make you mad.
I just found out.
There's no doubt.
Mom is boning your dad.

She's boning your dad.
She's boning your dad.

I think that taste on your face, may belong to your dad.
