1, 2, 3 I'm chlamydia free
And a 3 hot guys wanna get down with me
1, 2, 3 kassem, shay and bambi
It's not easy to be me
So please don't rape... ahhhhh

I'm one of those girls
That make thier videos
And shares with the world
What can I say

All I want to do
Is make it fun for you
Make you feel at home
Now is it wrong?

Then comes a time
When I feel
Some of my viewers
Wanted something real, ohhhh

Ahhhh I feel so still
Are you listening?

1, 2, 3 I'm chlamydia free
And a 3 hot guys wanna get down with me
1, 2, 3 kassem, shay and bambi
It's not easy to be me
So please don't rape... ahhhhh

Maybe this is lame
But they want to play my game
Little do they know
I can't be tamed

Let's make them dance
Compete for romance
Don't know what it takes
To get in my pants

Ahhhh if you want this thing

You better make sure it's her you bring
Now all of us in
Don't you know it's win win win win win

1, 2, 3 I'm chlamydia free
And 3 hot guys want to get down with me
1, 2, 3 kassem, shay and bambi
It aint easy to be me
So please don't rape... ahhhhh

Now they have no one to blame
And they wanna play my game
So just let me introduce this little girl that's on her
knees, on her knees
3, 4 on the floor...
BOOM!
