I've got my feet kicked up and it's a quarter to four  
Nothing to do so I just stare at the floor  
Well maybe I will try to sneak into the ravenclaw's place  
for once  
'Cause it seems like such fun  
And they're just so uptight,

Then I could make excuses  
For the truth is that I'll probably just bluff  
After all, I'm just a hufflepuff  
Just a hufflepuff

I try to keep a low profile during the war  
I'll leave the fighting up to the gryffindors  
'Cause man, they sure like to be heroes,  
But not me, you see,  
'Cause it don't seem like fun and  
It just seems crazy,

Then I could make excuses  
For the truth is that I'll probably just bluff  
'Cause after all, I'm just a hufflepuff  
Just a hufflepuff

It's hard to be the outsider looking in through the glass  
When everyone is praising somebody else  
Some other class  
And even though I might not have the brains or the  
brawn  
I'm loyal to the ones that matter to me  
'Cause it's just the right thing,  
And it's just how I am,

And I won't make excuses  
'Cause the truth is that I'll do just enough  
'Cause after all, I'm just a hufflepuff  
I am just a hufflepuff
