It's another rainy day and the thought of you
Keeps reminding me of the truth
That you ain't gonna be around or there for me
Oh, Cedric, it's so difficult for them to see

It's like nobody understands how hard it is
To be the one who has all the friends
And people say how beautiful you are to them
But nobody can understand how hard it's been

Whoa, whoa, whoa is me
Whoa, whoa, whoa is me
Whoa, whoa, whoa is me
Whoa, whoa, whoa is me

Whoa, whoa, whoa is me
Whoa, whoa, whoa is me
Whoa, whoa, whoa is me
Whoa, whoa, whoa is me
