whats it like
to give up on your dreams
I hope I never
have to find out

I'm feelin' down
tearing at the seams
but here I am
just singin' out

but I fear I'm getting closer
I'm worried all the time

I'm calling you out
like we did when we were kids
and you still had dreams
of making it big
how can it be that you gave up?
life's all a show
and you'll keep falling down
like a Domino

you never tried
never made it real
you never even bothered to shout

I'm makin' sounds
and working on my dreams
and here I am
just singin' out

but I fear I'm getting closer
I'm worried all the time

no one knows
what's in store
you've got to(got to)
keep on(keep on)
movin' on

takes time to grow

you never know
you've got to(got to)
try to(try to)
prove me wrong

future nobody knows
keep on making the climb
