All of my friends said that I should just wait a little
All of my friends said that you weren't the one
And to that i replied, just worry bout your own life
because I knew that you were my love

I met you on a sunday
And we got married on that monday
And now lifes looking so good
Its looking soooo good
And i wanted you to like me
But now you just suprise me
And now lifes looking so good
Its looking soooo goooooood
I'm so glad that i found you(3x's)
In the silliest of ways
And i wanted you to like me
And now you just suprise me
I'm so glad that i found youuu
So glad that i found you
Oh
