When you left
I couldn't take it
Just one more time
You drove hole right through my heart
And now that your gone
I can't fake it
One more time
You left a hole right through my heart

Chorus:
So I, I watched you like a midnight movie
You, You act as if you never knew me
All this time
Yeah, yeah
And I, I watched you like a midnight movie

Staring at the screen
Wishing that could be you and me
Staring out my condo
I'm watching you watching you watching you watching
you
I'm Staring at the movie
Wishing that could be you and me
Staring out my condo
I'm watching you watching you watching you watching
you

Chorus:
I, I watched you like a midnight movie
You, You act as if you never knew me
All this time
Yeah, yeah
I, I watched you like a midnight movie

Baby I miss you
Cause Baby I miss you
Baby I miss you
Baby I miss you
Baby I miss you

Chorus:
I, I watched you like a midnight movie

You, You act as if you never knew me
All this time
Yeah, yeah
And I, I watched you like a midnight movie

I, (I miss you) I watched you like a midnight movie
You, (Baby I miss you) You act as if you never knew me
All (Baby I miss you) this time
Yeah, yeah (Baby I miss you you)
And I, I watch you like a midnight movie

I, (I miss you) I watched you like a midnight movie
You, (Baby I miss you) You act as if you never knew me
All (Baby I miss you) this time
Yeah, yeah (Baby I miss you you)
And I, I watch you like a midnight movie
