I miss you more each time I go
I'm all alone
??
Don't be looking out at them other guys
Cz they ain't me
You never met a man like me

Yeah, I know you can't stand it
Yeah, baby I'm on some other planet
Yeah, I miss you

Baby I know it seems like I don't care
Cz I'm out with them
I'm always here

Them other guys, they're all telling lies
Don't listen to that
Don't get caught up in that

Yeah, I know you can't stand it
Yeah, baby I'm on some other planet
Yeah, I miss you

And ever since day one we both knew that this wasn't
going to be real easy
And ever since day one we didn't know that it would get
this far
And now that we're here we're just trying to give the
best we can give and
Just don't let yourself drown

Swim, swim
Don't let yourself drown
Swim, swim
Just don't let yourself drown

Yeah, I know you can't stand it
Yeah, baby I'm on some other planet
Yeah, I miss you
Yeah, I know you can't stand it
Yeah, baby I'm on some other planet
Yeah, I miss you
