Same thing, sunshine
Got change on my mind
I can't say it's alright
'Cause I need a cloudburst in my life

Thunder-shower
When love flowers
Baby, it's alright
To just get soaking wet tonight

No expectation, no demand
Just know my heart is in your hands
You got the power and control
Oh oh oh

Let it rain down love, heavenly storm
Just what I'm searching for
Let it rain down love
Can't touch the ground
Baby just let your love rain down

Make it, just pour
Break it, let it storm
Shake me to my core
'Cause I need a hurricane for sure

No expectation, no demand
Just know my heart is in your hands
You got the power and control
Oh oh oh

Let it rain down love, heavenly storm
Just what I'm searching for
Let it rain down love
Can't touch the ground
Baby just let your love rain down
