The front caves open wide
And my tongue don't tell no lies
It's true that I think you should be living it up for tonight
We're kicking your front door
And took shots from kitchen floors
It's true that I think you should be having the time of
your life
Okay!

Hey there!
We hope, we hope you had a good time
'Cause we get it started, you keep it going all night
Hey there!
We hope, we hope you had a good time
We get it started, you keep it going all night

We're drunk, its Sunday night
And my bill is open wide
It's true that I've been to one of these parties every
night
You live life on your couch
So don't you point fingers now
It's true that I think you should get up, get up come
alive
Okay!

Hey There!
We hope, we hope you had a good time
We get it started, you keep it going all night
Hey There!
We hope, we hope you had a good time
We get it started, you keep it going all night

I said, I said, I said, I don't think you know anything,
anything anymore
I said, I said, I said, I don't think you know anything,
anything, anything anymore
I said, I said, I said, I don't think you know anything,
anything anymore
I said, I said, What should I say?
Woah!

Hey There!
We hope, we hope you had a good time
We get it started, you keep it going all night
Hey There!
We hope, we hope you had a good time
We get it started, you keep it going all night

We go Hey! Hey! Hey there
We go Hey! Hey! Hey there
Come on you go Hey! Hey! Hey there
Come on now, Come on we go Hey! Hey! Hey there
Woah!
