Girl you are such a fine tuned mess you've finally  
broken down and ruined this and you always think it is.  
something more than it really is i don't think you know  
me us or yourself  
and i guess i'm giving in because we're always on the  
breaks a casualty of love again throw it in my face that  
boys will be boys and girls they just ruin all.  
well baby you can be oh so typical  
and your words they don't make sense to me at all  
well there you go let it go let it go  
i'm growing fond of my cowardess and me backed into  
corners is me at my best what i guess i'm saying is. i'm  
wearing this suit and tie right now you are the judge it's  
me with no jury  
and i guess i'm giving in.  
because were always on the breaks a casualty of love  
again throw it in my face that boys will be boys and  
girls they just ruin all.

well baby you can be oh so typical  
and your words they don't make sense to me at all  
well there you go let it go let it go(x2)  
uh oh uh oh you don't even know.
