(Liam)

People say we shouldn't be together
Too young, to know about forever
But I say they don't know what they're talk, talk, talking
about (talk,
Talk, talking about)

(Harry)

'Cause this love is only getting stronger
So I don't wanna wait, any longer
I just wanna tell the world that your mine girl
Ohhh

(Zayn+All)

They don't know about the things we do
They don't know about the 'I love you's
But I bet you if they only knew
They would just be jealous of us

They don't know about the up-all-night's
They don't know I've waited all my life
Just to find a love that feels this right

Baby they don't know about, they don't know about us

(Niall)

One touch, and I was a believer
Every kiss, it gets a little sweeter

(Harry)

It's getting better, keeps getting better all the time girl

(All)

They don't know about the things we do
They don't know about the 'I love you's
But I bet you if they only knew
They would just be jealous of us

They don't know about the up-all-night's
They don't know I've waited all my life
Just to find a love that feels this right

Baby they don't know about, they don't know about us

(Louis)

They don't know how special you are
They don't know what you've done to my heart
They can say anything they want
'Cause they don't know about us

(Niall)

They don't know what we do best
That's between me and you, our little secret

(Zayn)

But I wanna tell em, I wanna tell the world that your
mine girl

(All)

They don't know about the things we do
They don't know about the 'I love you's ('I love you's)
But I bet you if they only knew (if they only knew)
They would just be jealous of us

They don't know about the up-all-night's
They don't know I've waited all my life
Just to find a love that feels this right (Feels so right)

Baby they don't know about the

They don't know about the things we do
They don't know about the 'I love you's
But I bet you if they only knew
They would just be jealous of us

They don't know about the up-all-night's
They don't know I've waited all my life
Just to find a love that feels this right

Baby they don't know about, they don't know about us
