Even though we're very very best friends
This chat's gotta wait till the weekend
Or after 9, you can call me all the time
Mobile to mobile hottie, keep me in your five
I can be your sidekick
Text me back real quick
Yes no or maybe
Will you always be my baby
Some get jealous
More wanna hate
They say who's that text from
Idk my bff jayce

Ring a ling on the celly sweetie
I'll tell you all about how you complete me
But we should probably do this discretely
I'm sure you boyfriend doesn't want to meet me
Ring a ling on the tele baby
*67 was made to save me
If you're looking for love, don't ever doubt me
Probably shouldn't tell your boyfriend about me

Even though we're very very best friends
I think it's best if we keep this a secret
But when you need a pick up hit the digits quickly and
smile
Get at me sometime (number 1 speed dial)
I can be your sidekick
Text me back real quick
Yes no or maybe
Will you always be my baby
I will treat you treat you perfect
Just like I should
Can you hear me now?
Yeah, that's pretty good

Don't be hatin on me
It's not my fault your girlfriend calls me

Stop yelling dude, stop flippin
Take a step back homie, your totally trippin
