Hey best friend  
When'd you get so hot  
Your clothes fit nice  
Ya I like your shirt a lot  
The braids in your hair  
Really compliment your face  
And it sure would be great, if our hands interlaced  
But I'm kinda nervous, and they're kinda sweaty  
So I'll just sing a song so you don't forget me  
With hopes you'll never leave.  
It's probably out of key.

I'll sing you a sweet, sweet song  
A sweet, sweet song  
A sweet, sweet song  
That says I love you

Hey best friend  
I think we've got a shot  
We'll be far away  
And college sucks a lot  
But I'll write a lot of songs  
And send them to my friends  
Dot com will pay for gas  
To get home on the weekends  
And being far away will be pretty rough  
And I'll get sick when I can't love you enough  
I'll sing a song to you  
I'm probably out of tune
