Homophobes are terrified  
to admit that you're in their lives  
There've be moments when  
they've wavered in their minds  
One more comment, one more joke  
I don't accept it, I won't  
I won't tolerate intolerance this time

I'm not a heterosexual man  
Not taking your boxes, that's not who I am  
No I don't fit into your neat little plan  
And I never will  
I'm not a heterosexual man  
Not taking your boxes, that's not who I am  
No I don't fit into your neat little plan  
And I never will

Jesus christ, I don't believe you  
Narrow-minded piece of shit  
I'd sooner cut of my own dick  
than be like you  
Did that make you uncomfortable?  
Is your macho-pride in trouble now?  
When you're beating me up, then what will you do?

I'm not a heterosexual man  
Not taking your boxes, that's not who I am  
No I don't fit into your neat little plan, and I never will  
I'm not a heterosexual man  
Not taking your boxes, that's not who I am  
No I don't fit into your neat little plan, and I never will

Love is not a crime and I draw the colour outside of the  
lines  
Love knows no gender and it's about time  
you nailed your colours up next to mine

Love is not a crime and I draw the colour outside of the  
lies  
Love knows no gender and it's about time  
you nailed your colours up next to mine

Love is not a crime and I draw the colour outside of the  
lies  
Love knows no gender and it's about time  
you nailed your colours up next to mine
