#### Verse 1

The Grass ain't greener of the other side  
My heart stops beating when your in my sight  
To tell you how much I love you so  
I'll write you a letter and my heart will grow

#### Pre-Chorus

You can be my man  
And I can be your girl  
We can make the sunshine on to of the world

#### Chorus

Cause you and me makes the world revolve  
You take me by the hand and my heart will glow  
That's only if you want me baby  
This could be the story of our lives  
Our Story

#### Verse 2

I always dream about you  
I hope you you about me too  
All I ever wanted baby  
For you to be next to me maybe

#### Pre-Chorus

You can be my man  
And I can be your girl  
We can make the sunshine on to of the world

#### Chorus

Cause you and me makes the world revolve  
You take me by the hand and my heart will glow  
That's only if you want me baby  
This could be the story of our lives
