Everybody loves to do it
The way you do it do it do it with me
Do it with me

Barbers do it
And sailors do it
The way you do it do it do it with me
Do it with me

The sun will soon arise and wake me up, it's early
morning
It was a lovely night let's make it too a lovely dawning
Yeah yeah yeah

Everybody loves to do it
The way you do it do it do it with me
Do it with me

Tailors do it
May and keep it
But do it do it do it with me
Just do it with me

The sun will soon arise and wake me up, it's early
morning
It was a lovely night let's make it too a lovely dawning
Yeah yeah yeah

Lovers do it
They just love to do it
The way you do it do it do it with me
Do it with me

Surfers do it
May this tidy
But do it do it do it with me
Just do it with me

Everybody loves to do it
The way you do it do it do it with me
The way you do it with me

Lovers do it
And some sailors do it
The way you do it do it do it with me
The way you do it with me.
