(I'm so, I'm so)

(I know, I know, I know, I know)

I'm so, I'm so, I'm so
I'm so in love with you
I'm so, I'm so, I'm so
I'm so in love with you
(So in love with you)

The way that you walk
The way that you talk
I'm lost got nothing to hide
The things that you do
The places you go
Can't fight this feeling inside

Ooh ooh we're dancing the night away
Ooh ooh I wish I've found something to say
I want you to stay

I'm so, I'm so, I'm so
I'm so in love with you
I'm so, I'm so, I'm so
I'm so in love with you
(So in love with you)

I'm watching you dance
Is there a chance
You've got a hold of my soul
This pleasuring pain
Drives me insane
With you I'm out of control

Ooh ooh we're dancing the night away
Ooh ooh I wish I've found something to say
I want you to stay

I'm so, I'm so, I'm so
I'm so in love with you
I'm so, I'm so, I'm so

I'm so in love with you
(So in love with you).
