Coffee bar closed by old maid  
Only verse/worse tryin' to get your attention  
Spinning the your not so light  
Jupiter sign

Holding on to where/when you shot  
Capricorns are said to bring on adventure  
Bodies are haven't decide  
Jupiter sign

(Marry will be there)  
This not is a Scorpio night  
(Waiting for you)  
Mysterious but maybe just right

Your astrologer will tell you what is laying in store  
She's hiding all the answers for tomorrow  
Your astrologer can tell you exactly the score  
She can navigate in water  
There at brown cello

Stepping out in the lane  
A lady in yellow is asking a question  
Will you be back here at nine  
Jupiter sign

Destiny is trapped in her eyes  
Reach of your hand so magic can guide you  
Only not fate from be mind  
Jupiter sign

(Marry is dancing)  
This knot is a Scorpio night  
(Destiny low)  
Mysterious but maybe just right

Your astrologer will tell you what is laying in store  
She's hiding all the answers for tomorrow  
Your astrologer can tell you exactly the score  
She can navigate in waters  
There at brown cello.
