Can I be ya man, cause you can be my lady,
Picture this me giving you this mercedes,
Cause I would do anything for my baby...

You you you... you drive me crazy
It's it's its... it's you baby
You you you... you drive me crazy

Throw ya hands up (if you love some body) I said
Throw ya hands up (if you love some body) I said
Throw ya hands up (if you love some body)
Cause everybody needs somebody...
