Verse (1)

Lady you're a chore why don't you
Strangle me some more
High maintenance woman
And my sanity is stolen

When the temperature rises
Her Anger subsides yes
The forecast is rain
The antidote's insane
There's only one thing you need
Baby can't you see!

Chorus (1)

You think you're worth my time I
Don't wanna be your puppet
I'm a toy-an you're destroy-en
So I am dosin' you twice!

This Double dose is my cry
This Double dose is bye bye!
Buh Bye Buh Bye
Ha ha ha ha ha

Verse (2)

A taste of your medicine
A prescription for your venom
I'm gonna treat your condition
A symphony it's my rendition

When the temperature rises
Her Anger subsides yes
The forecast is rain
The antidote's insane
There's only one thing you need
Baby can't you see!

Chorus (2)

Bridge

The way you scream at me

A twisted tragedy
Lady will you ever see
You will regret this
